

All by April – Results Video

Transcript:

An old paper texture background displays the names of the 174 signers of the 2024 All by April pledge; the names of the signers appear with an animated typewriter effect and are not intended to be read individually. The list of all signers can be found on allbyapril.org.

Gentle and upbeat acoustic guitar music plays in the background throughout the video.

The video shows two slides. The first slide displays the text:

#AllByApril

Thank you to the 174 signers

The second slide displays the text:

In 2024 together we raised or accelerated \$1470 million to support free, fair, & representative elections!

At the bottom of both slides, in much smaller, black font, are the words "'All by April' is a nonpartisan 501(c)3 effort."
